1 ВЪВЕДЕНИЕ

Добре дошли в платформата DYGI4Adu - образователен ресурс, базиран на Moodle, специално разработен в подкрепа на преподавателите, работещи с възрастни учащи, сред които и такива, срещащи затруднения от дислексичния спектър. Курсът DYGI4Adu, съставен от въстъпителен и пет основни видео модула е съобразен с нуждите както на преподавателите, така и на учащите с дислексия, и дава насоки за методи и подходи, съдействащи за преодоляване на предизвикателствата, свързани с дислексията.

Ключови характеристики

- **Многоезична достъпност:** Курсът е достъпен на шест езика (английски, български, гръцки, италиански, латвийски и полски), като позволява на курсистите да имат достъп до съдържанието на предпочитания от тях език.
- **Адаптивно съдържание** за различни учебни нужди: Модулите, макар и смислово свързани, могат да се разглеждат и изучават поотделно и в различна последователност. Предоставените допълнителни материали и интервюта са полезен ресурс, който може да бъде използван както от преподавателите, така и от учащите. Платформата предлага възможност за адаптиране на интерфейса според предпочитанията.

2 ПЪРВИ СЪПКИ

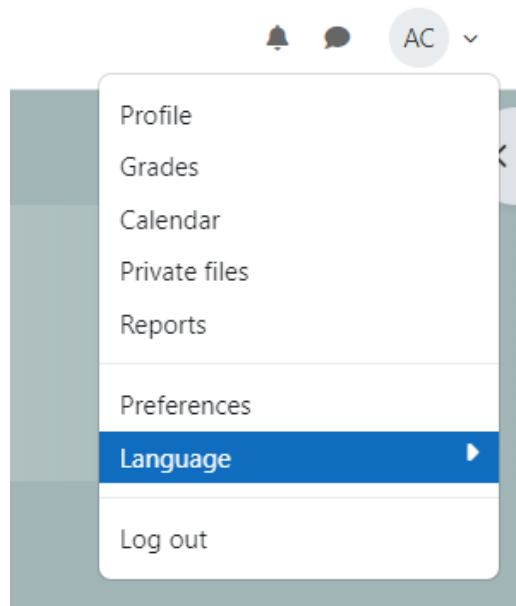

След като влезете в платформата, ще видите отново началния екран. От тук може да отидете на съответния видео курс. Горещдясно на главното меню може да видите всички постъпили съобщения или да влезете в настройките на Вашия профил.

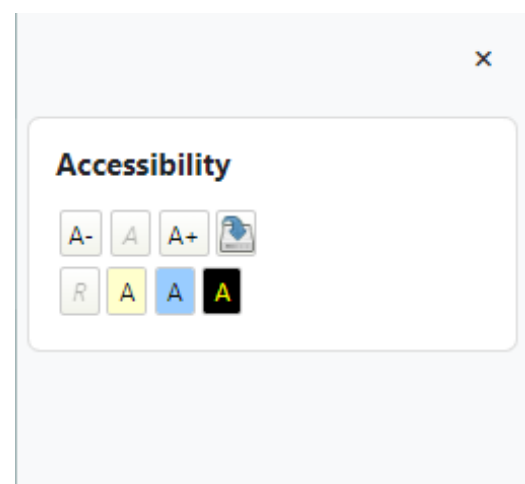

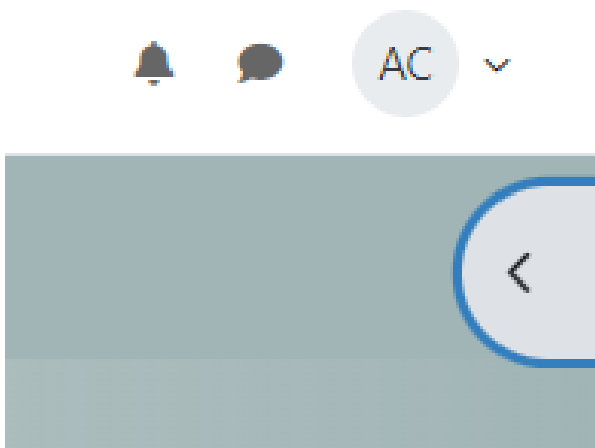

Над надписа “DYGI4ADU Open Learning Space”, са бутоните за всички езици, на които е достъпен курсът: английски, полски, италиански, български, латвийски и гръцки. Кликнете на предпочитания от Вас език.

Course language: **English** Polish Italian Bulgarian Latvian Greek

You can change the language of the platform by clicking on your profile in the upper-right corner, then select Language and choose the one you prefer. The language will also change depending on the language of the course you've chosen

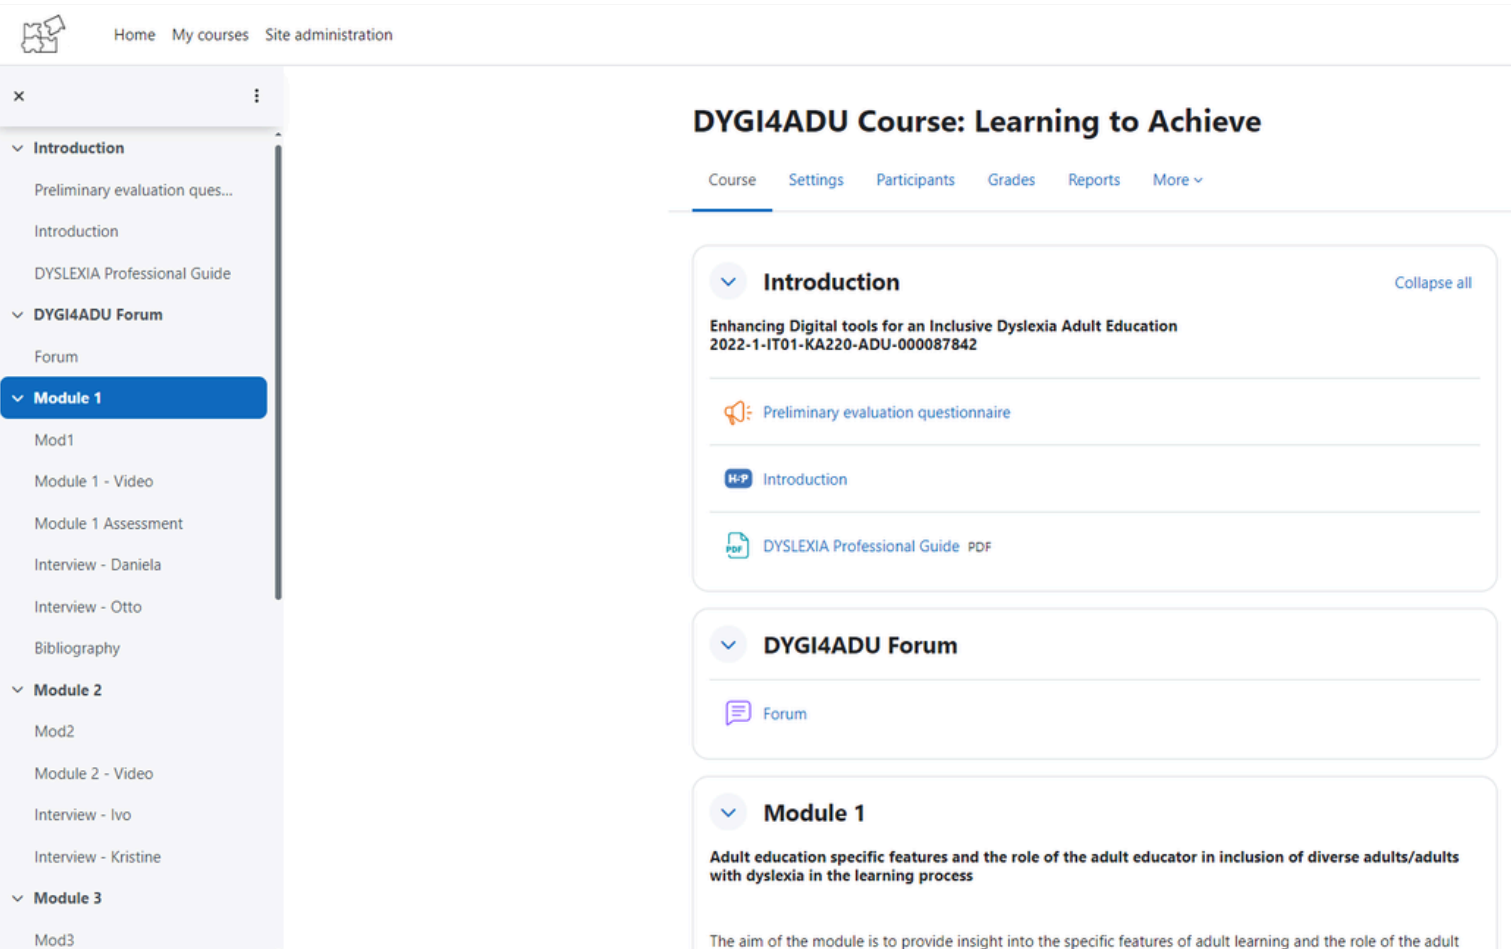

You can access accessibility option by clicking on the arrow to the right - below your profile. This will bring up a menu where you can change font sizes or view the content and text on a different background, that's more pleasant for you.

3 INSIDE THE COURSE - VIDEO MODULES

Once you've set the platform to your liking, you can go through the DYGI4ADU Course: Learning to Achieve. Inside of it, you'll find a set of modules, each equipped with an interactive video with exercises.

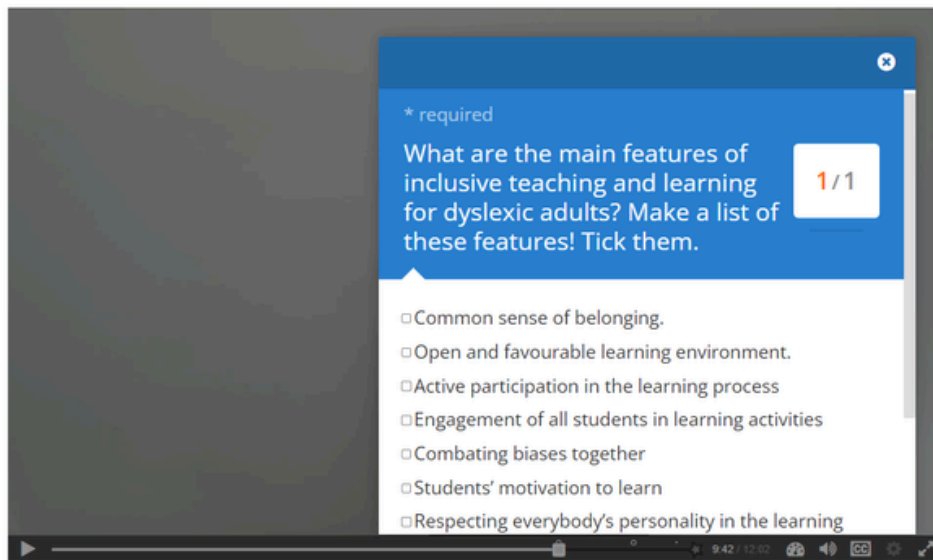

The screenshot shows the course interface for "DYGI4ADU Course: Learning to Achieve". On the left is a sidebar menu with a search bar and a list of items: Introduction, Preliminary evaluation ques..., Introduction, DYSLEXIA Professional Guide, DYGI4ADU Forum, Forum, Module 1 (highlighted), Mod1, Module 1 - Video, Module 1 Assessment, Interview - Daniela, Interview - Otto, Bibliography, Module 2, Mod2, Module 2 - Video, Interview - Ivo, Interview - Kristine, Module 3, and Mod3. The main content area has a title "DYGI4ADU Course: Learning to Achieve" and tabs for Course, Settings, Participants, Grades, Reports, and More. Below the tabs are three expandable sections: Introduction, DYGI4ADU Forum, and Module 1. The Introduction section includes a title "Enhancing Digital tools for an Inclusive Dyslexia Adult Education 2022-1-IT01-KA220-ADU-000087842" and three items: Preliminary evaluation questionnaire, Introduction, and DYSLEXIA Professional Guide PDF. The DYGI4ADU Forum section includes a Forum item. The Module 1 section includes a title "Adult education specific features and the role of the adult educator in inclusion of diverse adults/adults with dyslexia in the learning process" and a description: "The aim of the module is to provide insight into the specific features of adult learning and the role of the adult".

The video modules consist of a set of activities which pop up as you watch the module. To complete them, mark the answers and click “Continue”, then “Submit”.

INSIDE THE COURSE - TESTS AND INTERVIEWS

Besides video modules, inside the course you will also find interesting interviews tackling the topics related to education of adults with dyslexia, tests regarding the knowledge gained in the video modules as well as various other interesting resources in form of articles or videos.

Module 1

Adult education specific features and the role of the adult educator in inclusion of diverse adults/adults with dyslexia in the learning process

The aim of the module is to provide insight into the specific features of adult learning and the role of the adult educator in promoting inclusive adult education. The given content strengthens the knowledge of adult educators regarding the specific features of adult learning and inclusion in the learning process. It fosters the development of skills and competences necessary for scheduling the learning process to ensure the inclusion of everybody in adult education, promotes an understanding of the learning difficulties faced by adults and the establishment of a supportive system.

Module 1 - Video

Module 1 Assessment

Interview - Daniela

Interview - Otto

- The Creative Brilliance of Dyslexia, Kate Griggs, TEDxBrighton
- Why the dyslexic brain is misunderstood

5 INSIDE THE COURSE - PODCASTS

Besides video modules, on the bottom of the course you will also find interesting podcasts in tackling the topics related to dyslexia and education of adults with dyslexia, each podcast is in English and has a brief description so that the user knows beforehand the overall idea behind each podcast.

Podcasts

Go Dyslexia Podcast

This podcast caters to both families and professionals interested in dyslexia. Hosted by Dr. Erica Warren, it features conversations with experts in the field, offering insights and resources to support students with dyslexia. The episodes provide an opportunity to expand understanding of current research and best practices. While most episodes are around 30 minutes long, some explore topics in greater depth. Each episode is accompanied by resource links, and those covering complex subjects often include additional videos or podcasts for further exploration.

Truth About Dyslexia

This podcast takes a unique approach, offering brief, insightful episodes where Stephen and guests discuss the adult experience of living with dyslexia. They explore its lifelong impact, from occasional "dyslexia days" when challenges resurface, to being diagnosed for the first time as an adult. The show highlights how dyslexia, often underdiagnosed in the past, affects much more than just reading - especially for older generations who may have been overlooked.

Dyslexia Coffee Talk

Hosted by The Dyslexia Initiative, this podcast dives into all aspects of dyslexia. Featuring interviews with top experts in research and remediation, it's a valuable resource for anyone passionate about dyslexia advocacy.

The Invisible Gift

This podcast celebrates the strengths and achievements of individuals with dyslexia. It's an inspiring listen for students, offering reminders of their many talents and the bright future they can look forward to. It encourages not just acceptance of dyslexia but embracing it as a unique advantage.

Together in Literacy

The podcast *Together in Literacy*, hosted by dyslexia specialists Casey Harrison from *The Dyslexia Classroom* and Dr. Erica Warren, explores literacy, dyslexia, and its social/emotional impact on students, families, and educators. The hosts share strategies, teaching stories, and insights to support the social-emotional learning of students.
